

# Right to recall-PM

## Description of Right to Recall PM draft

The third GN we demand is to create procedure using which we commons can replace PM without waiting for 5 long years

1. Any citizen who wishes to become PM can inward his name before Cabinet Secretary.
2. Any citizen of India can walk to Talati's office, pay Rs 3 fee, approve at most five persons for PM's position. The Talati will give him receipt with his voter-id, date/time, the persons he approved etc.
3. The Talati will put citizen's preferences on Govt website with his voter-ID.
4. A citizen can change his approvals any day for Rs 3 fee
5. On every 1st of the month, the Secretary will publish the approval counts of each candidate
6. The Approval count of the PM may be counted as higher of the following two
  - number of citizens who have approved him
  - sum of votes obtained by the MPs who have supported the PM
7. If any person has over 15 crore approvals and 1.5 crore more approvals than existing PM, then existing PM **may** resign and MPs may appoint person with highest approvals as PM.

## Numerical explanations about the proposed procedures to replace PM, CMs

Say India has 75 crore voters. Then the replacement as per above procedure may happen if 1.5 crores voters more than existing approval count existing PM has approve a new person. To give an example, the PM of 2004 had support of about 300 MPs whose votes add up to about 18 crores. So as per the proposed procedure, if and when over 19.5 crores citizens approve another person, the next person shall become new PM.
